## What do we admire about the class

- We all have fun!
- We all have a good sense of humour
- The reading corner because of the pillows and blankets
- When we play with playdough
- The fun wall displays- our favourite is Bob the builder
- Golden time on a Friday
- We are all friends and play together on the yard
- The house because we get to dress up
- The carpet because everyone has their own spot

## What's important to us

- Lunchtime and fruit time

- To make friends
- To be kind to each other
- A tidy classroom to keep us calm and focused on our work

- To follow the class rules

## How to support us

- If we are upset give us attention and care
